Whitfield Farm Livery

What a Winter! There were moments when I wondered if I was mad to have expanded on the existing Livery business. However the New Purpose Built Facility has proved invaluable. This enabled us to turn out and indeed ride the horses daily, either in the indoor or outdoor arena; both horses and owners have come through the winter well. Having drank lots of coffee and eaten lots of cake we are all now looking forward to the new season fast approaching. If you would like to come over and uses the facilities or indeed stay a little longer please call me and I will be happy to help.

Hope you all have a Fantastic evening at the Mad Hatters Ball!!!
