Please note that at this Training Event there will be no paramedic unit on the course during training. The Accredited Coaches hold current first aid certificates and the nearest major Accident and Emergency Unit with helicopter facilities is approximately 3 miles away. Mobile phones will be with each coach and training officer. It is mandatory that each rider wears a body protector, medical arm band properly fitted hat to the correct standard. Proper clothing and boots are required for both stages of training and jewellery and body piercings should be removed before riding. Please ensure you are happy to continue with the training with these arrangements in place.

I am aware of the First Aid arrangements on site today and I am prepared to continue.
